Wish List

Linking the Montgomery County Business
Community with Non-Profit and Public
Agencies Serving Montgomery County

CORPORATE VOLUNTEER COUNCIL
of MONTGOMERY COUNTY

October 2004

Dear Business Leader:

The members of the Corporate Volunteer Council of Montgomery County are proud to present the Wish List Directory for 2004-2005 and hope that you will use it to make decisions about where your business can donate the goods and services that are needed by the non-profit community in Montgomery County. The non-profit organizations in our county provide a myriad of much-needed services that make this a wonderful place to live and work, an "All-America Community." We encourage you to work in partnership with them by generously donating the resources they need to operate efficiently and effectively.

The Corporate Volunteer Council promotes corporate volunteerism by linking the resources of the business community to the needs of the non-profit and public agencies through the Wish List Program. The Council also encourages corporate citizenship and recognizes unique and successful corporate volunteer programs. If your business is not already a member, you should consider joining. Your membership will benefit the community and enhance your business image with your customers and employees.

I hope that you find this Wish List Directory an invaluable tool and I invite you to use it often.

Sincerely,
Bill Schlossenberg, *President*

Dear Business Leader:

The Montgomery County Volunteer Center is proud to have been of assistance to the Corporate Volunteer Council (CVC-MC) in the production of this Wish List Directory. Members of the CVC-MC are to be congratulated for their leadership in promoting corporate volunteerism, providing for an exchange of knowledge in the use of corporate resources for community service activities, linking corporate volunteer programs with non-profit agencies, and recognizing outstanding corporate participation in volunteerism.

Montgomery County is home to several hundred public and private non-profit organizations. The Volunteer Center works cooperatively with the CVC-MC to link individuals, businesses, and other groups with the organizations that need volunteers, financial assistance, or donated goods and services. We invite you to contact us for assistance as you develop your corporate volunteer program.

Please use this directory to make donations of professional services and new or gently used goods. Many public and private non-profit agencies are in critical need of your assistance. Also, please take advantage of the wonderful services and opportunities the agencies can provide to you.

Sincerely,
Andrea Jolly, *Director*

Montgomery County Volunteer Center

“Mobilizing people and resources to deliver creative solutions to community problems”

The Volunteer Center is the vital link between non-profit and public agencies that need volunteers, goods and professional services, and technical assistance and the individuals, businesses, religious organizations, and community groups who want to donate time, money, and expertise. The Center offers a wide array of free services to businesses including:

- Consultation on developing corporate community strategies based on a company's interests, goals, and motivation
- Developing group projects for employees
- Providing opportunities for companies to sponsor events, publications, etc. that assist the community and bring recognition to the company
- Identifying organizations in need of donations of goods or professional services

The Center operates a variety of programs in order to encourage every member of the community to become involved. These include:

- The Volunteer Clearinghouse is designed to help individuals find the volunteer opportunity that is right for them. The Center maintains a database of over 2000 volunteer jobs in over 600 public and private non-profit agencies. Referral specialists at the Center are available to meet with individuals to help them find the volunteer position that corresponds with an individual's skills, interests, geographic preference, and time availability.

- The Weekend/Evening (W/E) Program is designed for busy people who want to volunteer but who cannot make an ongoing commitment to a volunteer job. Volunteers in the W/E Program receive a monthly calendar of projects and then volunteer for group projects as frequently or infrequently as they want.
- W/E KAN (Kids Action Network) Volunteer is designed to involve middle and high school youth in group volunteer activities.
- The Retired and Senior Volunteer Program (RSVP) helps individuals aged 55 and older put their skills and life experience to work for the community by matching them with interesting and rewarding volunteer positions.
- The Language Bank provides an opportunity for people who speak English and at least one other language to translate on an occasional basis, helping people to get medical care, apply for social services, etc.
- Student Service Learning is mandatory in Maryland and the Volunteer Center maintains a list of all Montgomery County Public School approved volunteer opportunities. This list is made available to students through the annual publication of the Student Service Learning Guide to Volunteer Opportunities and on our Web site.
- Seasons of Service include Community Service Day, The Martin Luther King Jr. Holiday and Family Volunteer Weekend. These days of service bring the community together to work on a variety of projects.
- The Donations Hotlinks program matches businesses that want to donate new or used office furniture, equipment or supplies and the non-profit and public agencies that need the donations.
